Performance and Engine Specifications

The 2018 Honda Accord Sport 20T Manual Sedan is powered by a robust 2.0-liter turbocharged inline-four engine, paired exclusively with a six-speed manual transmission. This combination is designed to deliver a spirited driving experience, appealing to enthusiasts who prefer manual control over gear shifts. The engine produces an impressive 252 horsepower and 273 lb-ft of torque, providing ample acceleration and responsiveness for both city and highway driving.

Turbocharged Engine Advantages

The turbocharged 2.0-liter engine enhances performance by increasing power output without significantly compromising fuel economy. Turbocharging allows

the engine to deliver greater torque at lower RPMs, improving throttle response and overall drivability. This setup gives the Accord Sport 20T Manual Sedan a competitive edge in its segment, offering a balance between spirited performance and everyday usability.

Manual Transmission Benefits

The six-speed manual transmission in the 2018 Accord Sport 20T provides direct and engaging control over gear selection. This transmission option caters to drivers who value precision and connection with the vehicle, enhancing the overall driving experience. The manual gearbox also contributes to the car's dynamic handling characteristics, making it an attractive choice for enthusiasts.

- Engine type: 2.0L Turbocharged Inline-4
- Horsepower: 252 hp
- Torque: 273 lb-ft
- Transmission: 6-speed manual
- Drive type: Front-wheel drive (FWD)

Exterior Design and Styling

The 2018 Honda Accord Sport 20T Manual Sedan boasts a sleek and athletic exterior design that reflects both modern aesthetics and aerodynamic efficiency. The Sport trim features distinctive styling elements that set it apart from other Accord variants, emphasizing its performance-oriented nature. The sedan's exterior combines sharp lines, a bold front grille, and subtle sporty accents to create a dynamic presence on the road.

Sport Trim Styling Features

Specific to the Sport trim, the 2018 Accord includes 19-inch alloy wheels with a unique design, a center-mounted dual exhaust system, and a rear spoiler. These features enhance the car's sporty appearance while also contributing to improved aerodynamics and sound quality. Additionally, LED daytime running lights and projector-beam headlights provide enhanced visibility and a modern look.

Color Options and Exterior Details

The 2018 Accord Sport 20T Manual Sedan was available in a variety of exterior colors, ranging from classic hues to more vibrant options. This variety allowed buyers to personalize their vehicle's appearance. The sedan's streamlined silhouette and aggressive front fascia emphasize its performance capabilities while maintaining sophistication suitable for everyday use.

Interior Features and Comfort

The interior of the 2018 Honda Accord Sport 20T Manual Sedan combines comfort, technology, and driver-focused design. The cabin offers ample space for both front and rear passengers, with high-quality materials and a layout that prioritizes convenience and ergonomics. Sport-oriented touches enhance the driving experience while maintaining practicality for daily use.

Seating and Materials

The Sport trim includes leather-trimmed seats with red contrast stitching that adds a touch of sophistication and sportiness. The front seats are designed to provide excellent support during spirited driving, while rear passengers enjoy generous legroom and headroom. The driver's seat is power-adjustable, allowing for personalized comfort during long drives or commutes.

Technology and Infotainment

The 2018 Accord Sport 20T Manual Sedan is equipped with Honda's Display Audio touchscreen system, which integrates smartphone connectivity features such as Apple CarPlay and Android Auto. The system enhances entertainment and navigation capabilities, making it convenient for drivers to access music, calls, and apps. Additional interior features include a multi-angle rearview camera, Bluetooth hands-free phone system, and a premium audio system for an immersive sound experience.

Safety and Driver Assistance Technologies

Safety is a critical focus for the 2018 Honda Accord Sport 20T Manual Sedan, which comes equipped with a comprehensive suite of safety and driver-assist features. These technologies are designed to enhance occupant protection and assist the driver in avoiding potential hazards on the road.

Honda Sensing Suite

The Sport trim includes Honda Sensing, an advanced safety package that offers several driver-assistance systems. Key features include Collision Mitigation Braking System (CMBS), Road Departure Mitigation System (RDM), Adaptive Cruise Control (ACC), and Lane Keeping Assist System (LKAS). These technologies work together to reduce the likelihood of collisions and improve overall driving safety.

Additional Safety Features

Beyond the Honda Sensing suite, the 2018 Accord Sport 20T Manual Sedan offers standard safety equipment such as multiple airbags, anti-lock braking system (ABS), electronic brake distribution (EBD), and vehicle stability assist (VSA) with traction control. The vehicle also features a tire pressure monitoring system and LED brake lights for enhanced visibility.

Fuel Efficiency and Environmental Impact

The 2018 Honda Accord Sport 20T Manual Sedan balances performance with efficiency, offering competitive fuel economy ratings for its class. The turbocharged engine's advanced design helps optimize fuel consumption while maintaining strong power delivery. This balance makes the Accord Sport an attractive option for drivers seeking an engaging drive without excessive fuel costs.

EPA Fuel Economy Ratings

According to EPA estimates, the 2018 Accord Sport 20T Manual Sedan achieves approximately 23 miles per gallon (mpg) in the city and 32 mpg on the highway. These figures reflect the vehicle's efficient turbocharged engine and aerodynamic design. Fuel economy may vary depending on driving habits, road conditions, and maintenance.

Environmental Considerations

Honda's engineering efforts in the Accord Sport 20T Manual Sedan include measures to reduce emissions and improve environmental performance. The vehicle meets stringent emissions standards and incorporates technologies aimed at lowering its ecological footprint. This focus aligns with broader industry trends toward sustainability without sacrificing driving enjoyment.

- City fuel economy: 23 mpg
- Highway fuel economy: 32 mpg
- Turbocharged engine for efficiency
- Meets emissions standards
- Eco-friendly engineering features

Pricing and Market Position

The 2018 Honda Accord Sport 20T Manual Sedan is positioned as a sportier, more driver-focused variant within the Accord lineup. Its pricing reflects a

balance between performance upgrades and value, appealing to buyers seeking a midsize sedan with engaging driving dynamics and advanced features.

Original MSRP and Value

At launch, the 2018 Accord Sport 20T Manual Sedan carried a Manufacturer's Suggested Retail Price (MSRP) that was competitive within the midsize sedan segment. Its pricing positioned it above base trims but below premium variants, offering a strong value proposition for performance-oriented drivers. The vehicle's resale value remains solid due to Honda's reputation for reliability and quality.

Competitive Landscape

In the 2018 model year, the Accord Sport 20T Manual competed against other sport-tuned midsize sedans such as the Mazda6 Grand Touring, Volkswagen Passat R-Line, and Subaru Legacy 2.5i Sport. The manual transmission and turbocharged engine distinguished the Accord Sport as a standout option for enthusiasts who prioritize driver engagement alongside comfort and technology.
