

aliens in the attic dvd

Aliens in the Attic DVD is more than just a movie; it's a delightful family adventure that combines humor, excitement, and a touch of science fiction. Released in 2009, this film has captured the hearts of both children and adults alike, becoming a favorite choice for family movie nights. With its captivating storyline and engaging characters, the DVD offers an immersive viewing experience that is perfect for audiences of all ages. In this article, we will explore the plot, characters, and the overall appeal of the "Aliens in the Attic" DVD, as well as where to find it and why it makes an excellent addition to your film collection.

Overview of the Film

"Aliens in the Attic" is a family-friendly science fiction film directed by John Schultz. The story revolves around a group of children who discover a group of mischievous aliens attempting to take over their family vacation home. When the kids learn that the aliens can control adults and turn them into their minions, they must band together to thwart the extraterrestrial invasion. The film blends elements of adventure, comedy, and action, making it an entertaining choice for family viewing.

Plot Summary

The plot unfolds during the summer vacation of the Pearson family, who heads to a remote vacation home in the countryside. Here's a brief outline of the key plot points:

1. Arrival at the Vacation Home: The Pearson family arrives at their vacation destination, where they are excited to spend time together.
2. Discovery of the Attic: The children explore the house and stumble upon a hidden attic that houses strange gadgets and equipment.
3. Alien Encounter: The children soon realize that they are not alone; a group of small aliens has invaded their attic with plans to take over the house.
4. The Fight for Survival: As the aliens begin to control their parents, the kids must devise a plan to defeat the aliens and save their family.
5. Climactic Battle: The children work together, using their ingenuity and teamwork to combat the aliens in a series of humorous and action-packed sequences.
6. Resolution: Eventually, the children manage to outsmart the aliens, restoring peace to their vacation home and reuniting with their parents.

Main Characters

The film features a cast of relatable characters, each contributing to the story's charm and humor. Here's a rundown of the main characters:

- Tom Pearson: The eldest sibling and the leader of the group. Tom is determined to protect his family and take charge of the situation.

- Beth Pearson: Tom's younger sister, who is resourceful and brave. She plays a crucial role in devising strategies against the aliens.
- Jake Pearson: The youngest sibling who provides comic relief with his quirky personality and childlike curiosity.
- The Aliens: A group of small, green extraterrestrials with comical designs and personalities. They are both humorous and menacing, making them memorable villains.

Why "Aliens in the Attic" Stands Out

There are several reasons why "Aliens in the Attic" has gained popularity and why the DVD is a must-have for family collections:

- Family-Friendly Content: The film is rated PG, making it suitable for children and enjoyable for parents. It conveys positive messages about teamwork, courage, and the importance of family.
- Humor and Adventure: The blend of comedy and science fiction keeps viewers entertained. The humorous interactions between the children and the aliens add an extra layer of fun.
- Relatable Themes: The story touches on themes of sibling rivalry, bravery, and the importance of working together to overcome challenges, making it relatable for many families.
- Visual Effects: Although released in 2009, the special effects used to portray the aliens and their gadgets are engaging and enhance the overall viewing experience.

Where to Buy the "Aliens in the Attic" DVD

If you're interested in adding "Aliens in the Attic" to your movie collection, there are several options for purchasing the DVD:

1. Online Retailers: Websites such as Amazon, eBay, and Walmart often have copies available for purchase, either new or used.
2. Local Retail Stores: Check your nearest video or electronics store for availability. Many retailers still stock popular family films.
3. Digital Platforms: If you prefer a digital copy, platforms like Google Play, iTunes, and Vudu offer the option to purchase or rent the movie digitally.

Special Features of the DVD

The "Aliens in the Attic" DVD often comes with several special features that enhance the viewing experience:

- Behind-the-Scenes Footage: Viewers can get a glimpse of the making of the film, including interviews with the cast and crew.
- Deleted Scenes: Some DVDs include scenes that were cut from the final release, providing additional context and entertainment.
- Commentary Tracks: Listen to commentary from the directors and producers, offering insights into the creative process and storytelling.

Conclusion

In conclusion, the **Aliens in the Attic DVD** is a fantastic addition to any family's movie collection. With its engaging plot, relatable characters, and humorous moments, it provides a delightful viewing experience for audiences of all ages. Whether you're planning a family movie night or looking for a fun film to share with friends, "Aliens in the Attic" offers a perfect blend of adventure and comedy. So gather your loved ones, grab some popcorn, and prepare for an intergalactic adventure that will leave everyone laughing and cheering.
