

as you like it 2006

As You Like It 2006 is a captivating film adaptation of William Shakespeare's beloved comedy, bringing the timeless themes of love, identity, and the complexities of human relationships into a vibrant cinematic experience. Directed by Kenneth Branagh, this version of "As You Like It" was released in 2006 and has since become a significant point of reference for both Shakespeare enthusiasts and casual viewers alike. The film stands out for its lush cinematography, contemporary interpretations, and a stellar cast that breathes new life into classic characters.

Overview of As You Like It

"As You Like It" is one of Shakespeare's most celebrated plays, first performed in the late 16th century. The story is set in the Forest of Arden and follows the adventures of Rosalind, the daughter of a banished duke, as she escapes the court's intrigues and explores themes of love and self-discovery. The essence of the play lies in its exploration of the pastoral life versus the courtly life, and the freedom that comes with returning to nature.

Plot Summary

The 2006 film adaptation retains the core plot of the original play while adding visual depth and modern sensibilities. Here's a brief summary of the key plot points:

1. Rosalind's Exile: After her father, Duke Senior, is usurped by his brother, Duke Frederick, Rosalind is forced to flee the court and seeks refuge in the Forest of Arden.
2. Disguised Identity: To protect herself, Rosalind disguises herself as a young man named Ganymede. She is accompanied by her cousin, Celia, who takes on the name Aliena.
3. Romantic Entanglements: In the forest, Rosalind encounters Orlando, a young nobleman who has also fled the court. The two fall in love, and Rosalind, in her disguise, engages in witty banter with him, testing his affections.
4. The Forest of Arden: The film beautifully portrays the Forest of Arden as a place of freedom and self-discovery, showcasing various subplots involving other characters, including Touchstone, the court jester, and the shepherdess Phebe.
5. Resolution and Reconciliation: The story culminates in a series of misunderstandings and revelations, leading to joyful reunions and multiple weddings, reinforcing the play's themes of love and harmony.

Cast and Characters

The 2006 adaptation features a talented cast that brings Shakespeare's characters to life. Here's a look at some of the prominent actors and their roles:

- Romola Garai as Rosalind: Garai delivers a powerful performance as the intelligent and spirited Rosalind, capturing her journey of self-discovery and romance.
- David Oyelowo as Orlando: Oyelowo's portrayal of Orlando showcases his charm and vulnerability, making his character's romantic struggle relatable and engaging.
- Jim Piddock as Touchstone: Piddock adds a comedic touch to the film as Touchstone, the witty jester, providing levity amid the romantic entanglements.
- Brian Blessed as Duke Frederick: Blessed's commanding presence as Duke Frederick adds depth to the character's menacing nature.
- Janet McTeer as Jaques: McTeer's interpretation of Jaques offers a reflective and poignant perspective on life, bringing a nuanced understanding to the character.

Visual and Directorial Style

Kenneth Branagh's direction in "As You Like It" is notable for its lush visual style and dynamic storytelling. Several elements contribute to the film's aesthetic appeal:

Stunning Cinematography

The film was shot in the picturesque landscapes of the Forest of Arden in the south of France, which enhances the pastoral beauty that is central to the play's setting. The cinematography captures the vibrant colors and natural light, creating a dreamlike quality that immerses viewers in the world of Shakespeare's characters.

Modern Adaptations

Branagh's adaptation incorporates modern sensibilities while staying true to the original text. The dialogue is delivered with a contemporary flair, making it accessible to modern audiences without losing the essence of Shakespeare's language. The film also introduces subtle thematic elements that resonate with contemporary issues, such as gender identity and societal expectations.

Reception and Legacy

"As You Like It" (2006) received a mixed reception from critics, though many praised its ambition and visual beauty. The film was lauded for its ability to bring Shakespeare to a new generation, sparking interest in the playwright's works among younger audiences.

Critical Response

- Positive Aspects:
 - The film's stunning visuals and picturesque locations were widely praised.
 - Romola Garai's performance as Rosalind received particular acclaim for its depth and charm.
 - The film's ability to blend humor with poignant themes was noted as a strong point.
- Criticism:
 - Some critics felt that the pacing was uneven, with certain scenes dragging on.
 - A few traditionalists expressed concern over the modern interpretations and deviations from the original text.

Educational Value

The 2006 adaptation of "As You Like It" serves as an excellent resource for educators and students alike. It provides a visual context for studying Shakespeare's works and can be utilized in various academic settings. Here are some ways it can be incorporated into education:

- Analyzing Themes: The film can be used to discuss themes such as love, identity, and the contrast between urban and rural life.
- Character Studies: Students can analyze character development and relationships in a visual format, enhancing their understanding of Shakespeare's complex characters.
- Cinematic Techniques: The film's direction and cinematography can be studied to understand how visual storytelling can enhance literary themes.

Conclusion

As You Like It 2006 stands as a vibrant testament to the enduring relevance of Shakespeare's work. Through its rich visual storytelling, modern interpretations, and strong performances, the film breathes new life into a classic narrative. Whether viewed for entertainment or educational purposes, it offers insights into the human condition and the timeless nature of love and identity. As audiences continue to explore Shakespeare's plays, this adaptation will undoubtedly remain a significant part of the conversation, inviting new generations to appreciate the bard's genius.
