- Understanding specific rights under the Bill of Rights.
- Analyzing how these rights apply to contemporary issues.

- Scenario 3: A teenager is accused of theft but is not allowed to have a lawyer present during questioning. Which rights are being infringed upon?

3. Include Questions for Analysis

After each scenario, include questions that prompt students to think critically. For example:

- What rights are implicated in this scenario?
- Do you believe the rights of the individuals involved have been violated? Why or why not?
- How might the situation differ if certain rights were upheld?

4. Facilitate Class Discussion

After students have completed the worksheet, facilitate a class discussion. Encourage students to share their thoughts and perspectives on each scenario. This not only reinforces their learning but also allows them to hear diverse viewpoints.
