Setting Up Your Blood Altar

The Blood Altar is the centerpiece of your Blood Magic endeavors. Understanding how to set it up and utilize it effectively is crucial.

1. Crafting the Blood Altar

To craft a Blood Altar, you will need:

- 4 Stone: Cobblestone or smooth stone will work.

This is the first ritual you should learn. It allows you to generate life essence quickly. To perform the Ritual of Sacrifice:

1. Hold a dagger (crafted from iron).
2. Right-click the altar.
