The novel begins with the introduction of the Moonbound Clan, a group of vampires who are struggling to maintain their autonomy in a world that is increasingly hostile toward their kind.

Main Characters

- Nina: The protagonist, a strong-willed and fiercely independent human who finds herself entangled in the dangerous world of vampires. Her character undergoes significant development as she navigates her feelings and the challenges posed by her love for a vampire.
- Riker: The male lead, a powerful vampire who is both a warrior and a protector. He is torn between his duty to his clan and his growing attraction to Nina, which complicates his life and the clan's future.
- The Moonbound Clan: Various members of the clan play pivotal roles in the story, adding depth to the vampire society and showcasing the diverse personalities and abilities within it.
