

bushwhacking the ethical high road

susan p shapiro

Bushwhacking the Ethical High Road is a compelling exploration of the moral dilemmas and ethical challenges that individuals face in the modern world, penned by Susan P. Shapiro. This article delves into the core themes of Shapiro's work, examining the significance of ethics in our everyday lives, the complexities of moral decision-making, and how one can navigate the often treacherous landscape of ethical choices.

The Premise of Bushwhacking the Ethical High Road

In "Bushwhacking the Ethical High Road," Shapiro invites readers to confront the complexities of ethical living. The title itself suggests a challenging journey through dense underbrush—symbolic of the obstacles and distractions that impede clear moral judgment. The book serves as a guide for those who seek to maintain their integrity while making decisions that often come with societal pressure and conflicting interests.
