Early Life and Education

Born in 1951 in New York City, Salzberg experienced a tumultuous childhood, marked by the loss of her parents at a young age. Mindfulness Meditation

- Non-judgment: Observing experiences without labeling them as good or bad.

- Acceptance: Embracing the present moment as it is, fostering a sense of peace.

Loving-Kindness Meditation

Loving-kindness meditation, or "Metta," is a heart-centered practice that promotes compassion and goodwill towards oneself and others. Salzberg's approach to this meditation includes:

- Affirmations: Repeating phrases that express well-wishes for oneself and others.
