

dark souls remastered platinum guide

Dark Souls Remastered Platinum Guide: If you're looking to achieve that coveted platinum trophy in Dark Souls Remastered, you're in the right place. This guide will provide you with detailed strategies, tips, and tricks to help you navigate through the perilous world of Lordran, defeat formidable foes, and collect all items necessary for that shiny trophy. Dark Souls is known for its challenging gameplay, intricate lore, and unique multiplayer mechanics. As you embark on this journey, remember to keep your wits about you and prepare for both triumphs and tribulations.

Understanding the Trophy Requirements

Before diving into the specifics of the game, it's crucial to grasp what trophies you need to earn for the platinum. There are a total of 41 trophies in Dark Souls Remastered, and they are categorized into several types. Here's a breakdown:

Types of Trophies

1. Bronze Trophies (31 total): Most of these are earned through various achievements in the game, such as defeating bosses, finding items, and completing quests.
2. Silver Trophies (7 total): These require a bit more effort, such as defeating all bosses in the game or achieving certain milestones.
3. Gold Trophies (3 total): Reserved for the most challenging tasks, including collecting all trophies in the game.
4. Platinum Trophy: This is awarded once you have earned all other trophies in the game.

Essential Preparations

Before you even step into the world of Dark Souls, there are several preparations you should consider to make your journey smoother.

Choosing Your Class

- Knight: A balanced class with good armor and health. A great choice for beginners.
- Warrior: High strength and melee capabilities. Ideal for aggressive playstyles.
- Sorcerer: Magic-focused class, good for ranged attacks.
- Pyromancer: A mix of melee and fire-based magic, offering versatility.
- Cleric: A support class with healing spells and decent melee skills.

Choose a class that suits your playstyle, but be prepared to adapt as you encounter tougher challenges.

Familiarizing Yourself with the Controls

Before diving into the game, take some time to familiarize yourself with the controls. Understanding how to dodge, block, and execute attacks is crucial, as timing can mean the difference between life and death in Dark Souls.

Establishing a Strategy for Leveling Up

Leveling up correctly can make your journey more manageable. Consider focusing on the following attributes based on your class:

- Strength: For melee-focused characters, increases physical damage.
- Dexterity: Improves weapon speed and scaling for certain weapons.
- Intelligence: Boosts sorcery damage for magic users.
- Faith: Enhances miracles and healing for clerics.
- Endurance: Increases stamina for dodging and attacking.

Prioritize leveling up a few key attributes rather than spreading your points too thin.

Collecting Items and Upgrades

To achieve the platinum trophy, you'll need to collect various items throughout your journey. Below are some key items and upgrade paths to consider.

Key Items to Collect

1. All Boss Souls: Defeating bosses grants you their souls, which can be used for upgrades or unique items.
2. Titanite Shards: Essential for weapon upgrades. Collect these throughout your journey.
3. Estus Flask Shards: These increase the number of uses for your Estus Flask, vital for healing.
4. Key Items: Make sure to explore thoroughly to find important keys and items required for progression.

Weapon and Armor Upgrades

- Reinforcing Weapons: Use Titanite to upgrade your weapons, focusing on those that suit your playstyle.
- Finding Unique Weapons: Certain weapons can only be obtained by defeating specific bosses or completing quests. Make note of these as you progress.

Defeating Bosses

Boss fights are a critical part of Dark Souls and often serve as checkpoints in your journey. Here's how to approach them:

General Boss Strategies

1. Learn Attack Patterns: Each boss has unique attack patterns. Study them to find openings.
2. Use Summons: If you're struggling, consider using NPC or player summons for assistance.
3. Equip the Right Gear: Make sure to have gear that complements your strategy against the specific boss.
4. Be Patient: Rushing in can lead to mistakes. Take your time to dodge and counter.

Notable Boss Fights

- Gwyn, Lord of Cinder: The final boss, known for his quick and powerful attacks.
- Ornstein and Smough: A dual boss fight requiring careful management of both foes.
- Artorias the Abysswalker: A challenging opponent with fast, aggressive attacks.

Completing Side Quests and NPC Interactions

In addition to defeating bosses, interacting with NPCs and completing their quests can unlock valuable items and assist in the game's lore.

Notable NPCs and Their Quests

1. Solaire of Astora: A fan-favorite character; assist him to unlock unique rewards.
2. Patches the Hyena: Engage with him to learn about traps and hidden paths.
3. Crestfallen Warrior: Provides hints and lore; be sure to speak with him regularly.

Completing NPC quests can occasionally impact the game's endings, so pay attention to their stories and requests.

Achieving the Platinum Trophy

Once you've thoroughly explored Lordran, defeated all bosses, collected all key items, and completed NPC quests, you're on the brink of earning your platinum trophy.

Final Checklist for Platinum

1. Collect All Boss Souls: Ensure you have every boss soul in your inventory.
2. Upgrade All Weapons: Reach maximum reinforcement for all weapons.
3. Complete All Side Quests: Make sure no NPC quests are left unfinished.
4. Unlock All Trophies: Verify that you have earned every trophy available in the game.

Conclusion

Achieving the Dark Souls Remastered Platinum trophy is no small feat, requiring dedication, skill, and a deep understanding of the game's mechanics. By following this guide, you can navigate the treacherous pathways of Lordran, defeat its most formidable foes, and collect every item necessary for that illustrious platinum trophy. Embrace the challenge, learn from your failures, and remember that every death is just a step closer to victory. Happy hunting!
